Rider's Name: _____

School Grade (6-12): _____

Riders Address: _____

City: _____

Rider's Email: _____

Primary Phone #: _____

Parents Names: _____

Parents Email: _____

Riding Commitment

All riders are required to take a minimum of four lessons per month at Foxcroft Farm (during the regular IEA season August – February). Pre-paid lesson packages are available as a four pack or eight pack. Payment will be made to Foxcroft Farm LLC either by check or credit card.

Each rider is required to complete a riding evaluation with our coach. The coach will assign each rider to a division based on the riders riding level and show experience.

Show Entry Fees

In addition to the standard IEA registration fee of \$60.00, all class entry fees must be paid in advance at the start of our regular season. The total amount due is: \$400.00 payable to the **Foxcroft Farm Equestrian Team**. This deposit will cover class entry fees for five shows (\$80 per show). If the rider does not compete in five shows, the equestrian team will refund unused entry fees.

If the rider qualifies for regional finals, zone finals or national finals additional entry fees will be required. Those fees are slightly more than the regular season shows.

In addition to the prepaid class entry fees you will receive an invoice after each show to cover trailering, stabling/shavings, horse lease fees, coaching & administrative fees. This cost will range from \$175-185 per show.

All questions regarding the Foxcroft Farm Equestrian Team should be directed to Kate Hermance (678-300-8643). We look forward to having you become part of our winning tradition!
